

Zaky Alif Pradian

MEDICAL DOCTOR · CLINICAL RESEARCH & EVIDENCE SYNTHESIS

Indonesia | +62 877-3665-2714 | zakyalifpradian@gmail.com

Licensed medical doctor with hands-on clinical practice and a strong track record in evidence-based medicine, systematic review and meta-analysis (SR/MA), and scientific writing. Experienced in critically appraising clinical evidence, extracting and synthesizing data across large study pools, and applying structured, rubric-based reasoning to complex medical questions. Multiple peer-reviewed Scopus publications and award-winning meta-analyses in cardiology and regenerative medicine. Seeking to apply clinical expertise and rigorous evaluation skills to improve the accuracy, safety, and reliability of medical AI systems.

CLINICAL EXPERIENCE

General Practitioner | Puskesmas Ciracas

Feb 2026 – Jul 2026

- Delivered primary care to patients across a broad range of acute and chronic conditions, applying evidence-based clinical guidelines to diagnosis, treatment, and referral decisions.
- Made independent clinical judgments under real-world constraints, navigating diagnostic uncertainty and prioritizing patient safety.

Assistant Researcher — Phase IV Clinical Trial | Gatot Soebroto Army Hospital, Nephrology Div. 2025 – 2026

Study: Safety and Effectiveness of Efepoetin Alfa for Anemia Therapy in a Post-Marketing Setting.

- Supported a post-marketing pharmacovigilance trial under PI Brigjen. Dr. Dr. dr. Jonny, Sp.PD-KGH, contributing to data collection and safety evaluation.

RESEARCH & EVIDENCE SYNTHESIS

Systematic Review & Meta-Analysis | Regenerative Medicine / Cardiology

2026

- "Long-Term Follow-Up, Efficacy and Safety of Stem Cell Transplantation in Retinitis Pigmentosa: A Systematic Review and Meta-Analysis" — full SR/MA leveraging PRISMA methodology and pooled effect estimation.

Systematic Review | Endocrinology / Interventional Radiology

2026

- "Predictors of Volumetric, Functional, and Retreatment Outcomes in Radiofrequency Ablation of Benign Thyroid Nodules: A Systematic Review" — structured evidence synthesis of predictor variables across studies.

Undergraduate Thesis (Molecular Biology) | Padjadjaran University

2022 – 2023

- Effects of Aaptamine in Inhibiting mRNA Expression of SLC2A4 During Adipocyte Differentiation Using the 3T3-L1 Cell Line.

PEER-REVIEWED PUBLICATIONS

- Scopus Q1 (co-author)** — Ariyanto EF, Wijaya I, Pradian ZA, et al. Aaptamine Inhibits Lipid Accumulation and Pparg and Slc2a4 Expression While Maintaining the Methylation of the Pparg Promoter During 3T3-L1 Adipocyte Differentiation. J Exp Pharmacol. 2025;17:159-168.
- Scopus Q2 (co-author)** — Ariyanto EF, Wijaya I, Pradian ZA, et al. Recent Updates on Epigenetic-Based Pharmacotherapy for Atherosclerosis. Diabetes Metab Syndr Obes. 2024;17:1867-1878.

AWARDS & RECOGNITION

- Winner** — 2nd Best Poster Presentation, 1st Asia Pacific Regenerative Medicine Congress (APREMIC) 2026 — for the SR/MA on stem cell transplantation in retinitis pigmentosa.
- Selected** — Selected as 1 of 18 printed-poster abstracts, Jakarta Endocrine Meeting (JEM) 2026 — for the SR on radiofrequency ablation of benign thyroid nodules.

EDUCATION

Medical Doctor (Profession Program) | Faculty of Medicine, Padjadjaran University

2023 – 2025

Completed the clinical phase of medical studies. · GPA 3.91

Bachelor of Medicine | Faculty of Medicine, Padjadjaran University

2020 – 2023

GPA 3.99

ADDITIONAL TRAINING & LEADERSHIP

- **Course** — "Understanding Clinical Research: Behind the Statistics" — Coursera (statistical interpretation of published literature).
- **Clinical** — Elective in Cardiology — Hasna Medika Bandung Heart Clinic.
- **Leadership** — Head of Events & Operations, 26th PENSA Congress 2026; Head of Event Division & Initiator, APREMIC 2026; President, Asy-Syifaa' Medical Team, FK Unpad.

CORE SKILLS

Evidence-Based Medicine · Systematic Review & Meta-Analysis · Critical Appraisal · Clinical Reasoning · Data Extraction & Synthesis · Scientific Writing · Rubric-Based Evaluation · Statistical Interpretation · English & Indonesian (fluent)
